New lighting for Surbiton Town Centre

The streetlights in Surbiton town centre are reaching the end of their lifecycle and need to be replaced. The new ones will be more energy efficient, but the style is down to you.

Traditional or modern?

Kingston Councillors have selected 3 styles - traditional, modern and something in-between - to consult with residents and we want your opinions. Let us know your favourite overleaf and we'll feed it into the consultation result.

More details

If you'd like to view the proposals, hear more, ask questions then express your preference of the options, Kingston Council has arranged two public 'drop in' exhibitions:

- Monday 8 October, 2pm to 4pm and 6pm to 8pm
- Thursday 18 October, 2pm to 4pm and 6pm to 8pm

Both at YMCA, Victoria Road, Surbiton.

Funding available for community projects 2012/13

Lib Dem run Surbiton Neighbourhood is offering an opportunity for any community or voluntary group, club or Residents' Association to make an application for funds for a community project, specifically within Surbiton Neighbourhood. Businesses and individuals are also welcome to make an application so long as their proposal benefits the local community.

A Panel of Councillors will consider all the applications and make recommendations to the Surbiton Neighbourhood Committee on Wednesday 21 November 2012 where the final decision will be made. All applicants are welcome and encouraged to attend these meetings.

The deadline for applications is Sunday 14 October 2012. For further information visit http://www.kingston.gov.uk/information/nhoodhome/su/surbiton_community_funding_2012.htm or you can also contact Christina Gardner - 020 8547 5000, email christina.gardner@rbk.kingston.gov.uk

It's your Neighbourhood – make it an even better place to live!

Street lighting views

My favourite street light design is:

- Option 1: The Albany
- Option 2: The Legend
- Option 3: Hestia Tapered
